Starred / Unstarred Diary No – U5087

The Question will be put down for – 25/03/2025

Answer on the Ministry Department: **New and Renewable Energy**

Financial Challenges Hindering India's Renewable Energy Sector

Will the Minister of New and Renewable Energy be pleased to state:

QUESTIONS

(a) Delay in Power Purchase Agreements (PPAs)

(b) Whether the ministry is aware of the significant financial challenges hindering India's renewable energy sector, particularly the need for \$ 68 billion annually to meet the 2030 targets.

- Financial Distress of DISCOMs & Late Payments to Developers

(c) Delay in Power Purchase Agreements (PPAs)

- The specific measures being undertaken to attract the necessary investments, especially in light of the sector receiving only \$13 billion last year
- Steps being taken to address obstacles such as project delays, land acquisition issues and regulatory hurdles that deter potential investors

(d) Whether there is any strategy to mitigate the impact of allegations against major renewable energy companies, which have raised risk perception among investors?
